

Hi,

I am Jamie Holcomb. I'm a mother of 2 boys and 1 little girl. I have always had a passion for working with children. I have been exploring with children for 15 plus years. Within these years I've gained over 500 hours of training. There is nothing more gratifying than witnessing young children learn something new. Knowing you have been a driving force behind that growth. I have enjoyed every minute of it.
